**MEMORANDUM FOR THE RECORD**

**SUBJECT: Concurrence in Task Order No. 2 to Contract No. BB-425 with Itek Corporation.**

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. BB-425 is a CPFF Task Type Contract utilized to cover primarily R&D type studies and small projects. Task Order No. 2 is being issued to cover a study and engineering design of a High Performance Rear Projector Viewer for NPIC. The work is estimated to take seven (7) months and to Cost \$92,291.00.

3. Accordingly Task Order No. 2 obligates \$92,291.00 chargeable to NPIC Fiscal Year 1961 funds account No. 1155-1010-7000-730. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, formerly 10(b) see 85-507 dtd. 7/7/58 for each contract.

5. Concurrence in Task Order No. 2 to Contract No. BB-425 is recommended.
